Please answer the following questions so we may be better able to select books of interest to you:

Specific/General Reading Interests _____ **Favorite Authors/Titles:** _____

Preferred Reading Level: _____

Caldwell Public Library is dedicated to the idea of equal access to information for all. The Homebound Outreach Service strives to meet this ideal by providing information and materials to those who cannot come to the library because of age, illness, or disability. We will make every effort to provide books and other library materials on a regular schedule to these individuals.

Homebound users, as well as all users of the library, are responsible for the materials loaned to them. Please do not give or loan these materials to others. We trust that our users will exercise normal care of the materials while they are in their possession.

If you plan to be away from home during your scheduled pick-up and delivery day, please notify the Homebound Services Coordinator, Monique Gaddy, as soon as possible. We will make every effort to reschedule your pick up/delivery date.
